

# WINDOW HARDWARE

Most Fleetwood hardware is crafted from high-grade stainless steel (S.S.) and several parts are treated with an electropolished finish for paramount coastal protection. All S.S. hardware shown is brushed texture. Some components are available in black.

## CASEMENT

Cam Handle - S.S.  
(4-Bar Hinges)  
(Series 450-T)

Multi-Point Latch - S.S.  
(Series 450-T)

Folding Rotogear<sup>1</sup>  
(Butt Hinges)  
(Series 450-T & 350-T)

Cam Handle - S.S.  
(4-Bar Hinges)  
(Series 350-T)

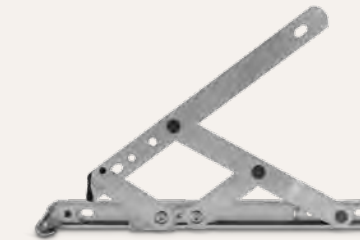

Multipoint Latch<sup>1</sup>  
(Series 350-T)
